

FEI EUROPEAN CHAMPIONSHIP

GORLA MINORE

10 – 16 JULY 2023

Meet ITA Ambassador Florence Schelling at the Jumping European Championships in Gorla Minore!

We are delighted to announce that International Testing Agency (ITA) Ambassador Florence Schelling will be joining us to host a Human Anti-Doping Education Booth on 9 and 10 July during the the Jumping European Championships in Gorla Minore. The ITA is mandated by FEI to deliver the anti-doping programme for humans.

Get ready for an engaging experience where all your questions on human anti-doping will be answered!

With a profound understanding of the Doping Control Process (DCP), Therapeutic Use Exemptions (TUEs), the Principle of Strict Liability, medications and recreational drug use in sport, Florence is dedicated to sharing the insights and knowledge athletes and Athlete Support Personnel (ASP) need to fulfil their human anti-doping responsibilities.

By visiting the ITA booth near the athletes' restaurant and interacting with Florence, all athletes and ASP will have the chance to learn more about human anti-doping, how it impacts equestrian and how they can be empowered to play an active role in #KeepingSportReal.

Want to know more about the ITA and its mission? Visit [ITA Athlete Hub - Anti-doping information for athletes](#) to explore the organisation's vision, initiatives and commitment to fair play in sports.

Mark your calendars, spread the word, and join us at the event to help ensure a clean and transparent future for equestrian.
